

## FX-920

The World's First Full-Power Tilt Exam Chair

**Tradition and Innovation** – Since 1858, visionary thinking and a fascination with technology have guided us to develop innovative products of outstanding reliability: Anticipating trends to improve the quality of life.

 **RELIANCE  
INTERNATIONAL**

# FX-920

## Patented Full-Power Tilt Exam Chair

### Ergonomic Features

**Memory programming** cuts wasted movement and improves efficiency.

**Dual-side operation** controls improve access to patient.

**Adjustable headrest** and armrests lock with a single hand.

**Power tilt** eliminates physical recline motion.

**Dual-rotation locks** allow you to swivel chair 350° without moving.

**Large hinged footrest** safely supports patient's full weight.

**Detached footswitch** allows for hands-free patient positioning.

### Power Hydraulic Base and Reclining Top

Finger switches and a corded footswitch raise, lower or tilt chair into position without breaking patient contact, or jolting them.

Auto-return button returns patient upright.

### Ultra-Durable Membrane Switches

Backlit membrane switches last 10-times longer than their mechanical counterparts. They're also safer because they run at low voltages.

A programmable safety function prevents unwanted operation of the chair.

### Finishes and Upholstery

- Hand-sewn upholstery covers high-density foam that lasts for years.
- Removable cushions for easy cleaning or replacement.
- Base available in #20 Pearl.
- Choose from 14 standard vinyl colors and endless custom selections – call Reliance at 1-800-735-0357 for a color card.
- All materials are fire retardant.

### The Mark of Quality

The FX-920 has passed all rigorous Laboratories tests, affirming its safety and durability, achieving CSA, C/US certificate of compliance.
